Lesson 22: Problem 2

Draw units to count from 578 to 920.

578

579 580

590 600

700 800 900

910 920

First, I draw 578.

Next, I draw 2 ones to get to 580.

Then, I draw 2 tens to get to 600.

Then, I draw 3 hundreds to get to 900.

Last, I draw 2 tens to get to 920.

We counted to 920!
